Conference Program

Meetings will be held at the Oregon Institute of Marine Biology (OIMB) facilities.

Thursday, March 21

8:00am-5:00pm
Check-in and registration

5:00 - 10:00 pm

Welcome Reception/Dinner at OIMB
This year's "round robin" discussion will take place during a poster session at the opening reception. We'll take this opportunity to view informal posters from our various libraries and learn about the developments that occurred during the past year. Be sure to bring photographs and brochures from your institution! The posters can be as formal or informal as you like. Everyone will have a 2x4 ft. poster space, but let the organizers know if you need additional space.

Friday, March 22

7:30-8:30am
Breakfast

8:30 - 12:00

Announcements
- Welcome from CYAMUS Representative Kris Anderson

- Announcements from Barbara Butler, OIMB regarding local arrangements
