IAMSLIC Conference Code of Conduct

The International Association of Aquatic and Marine Science Libraries and Information Centers (IAMSLIC) encompasses all aspects of aquatic and marine sciences and their allied disciplines. The association provides a forum to exchange and explore ideas and issues of mutual concern.

All attendees, speakers, sponsors, and volunteers at our conference are required to agree with the following code of conduct. Organizers will enforce this code throughout the event. We expect cooperation from all participants to help ensure a safe environment for everybody.

IAMSLIC is committed to providing a welcoming, safe and harassment-free conference experience in which diverse participants may learn, network and enjoy the company of colleagues in an environment of mutual human respect and regardless of gender, sexual orientation, gender identity, gender expression, disability, age, physical appearance, ethnicity, religion or other group identity or political beliefs.

We do not tolerate harassment of conference participants in any form. Sexual language and imagery are not appropriate for any conference venue, including talks, workshops, parties, and social media. Conference participants violating these rules may be sanctioned or expelled from the conference without a refund at the discretion of the conference organizers.

Prepared by the IAMSLIC Task Force on Conference Code of Conduct and approved by the IAMSLIC Executive Board during its online monthly meeting on May 14, 2020.
